

COLLEGE TIMELINE FOR FRESHMEN

FRESHMAN YEAR

- _____ **Plan** your high school program of studies with your parents.
- _____ **Request** college catalogs from colleges of interest to you and plan your high school program of studies accordingly. For example, many colleges and universities require two or more years of a language – other than English.
- _____ **Begin researching** your career choices and the educational requirements of each at collegeboard.org
- _____ Attend military academy presentation in your regional area, if interested.
- _____ Develop good study habits.
- _____ Participate in a good variety of extracurricular activities.
- _____ **Choose your 10th grade year wisely!**
- _____ Meet with college representatives as they visit your school.
